# **South Side Middle School and the International Baccalaureate (IB) Middle Years Programme (MYP)**

The MYP emphasizes intellectual challenge, encouraging students to make connections between their studies in traditional subjects and to the real world. It fosters the development of skills for communication, intercultural understanding and global engagement, qualities that are essential for life in the 21st century.

South Side Middle School is an IB World School\* authorized to offer the Middle Years Programme. IB World Schools share a common philosophy: a commitment to high quality, challenging, international education that South Side Middle School believes is important for our students.

*\*Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), or the Career-related Programme (CP). For further information about the IB and its programmes, visit <http://www.ibo.org>*

## **IB Mission Statement**

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with school, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and life-long learners who understand that other people, with their differences, can also be right.

# IB Learner Profile Attributes

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

## **Inquirers**

They develop their natural curiosity. They acquire the skills necessary to conduct inquiry and research and show independence in learning. They actively enjoy learning and this love of learning will be sustained throughout their lives.

## **Knowledgeable**

They explore concepts, ideas and issues that have local and global significance. In so doing, they acquire in-depth knowledge and develop understanding across a broad and balanced range of disciplines.

## **Thinkers**

They exercise initiative in applying thinking skills critically and creatively to recognize and approach complex problems, and make reasoned, ethical decisions.

## **Communicators**

They understand and express ideas and information confidently and creatively in more than one language and in a variety of modes of communication. They work effectively and willingly in collaboration with others.

## **Principled**

They act with integrity and honesty, with a strong sense of fairness, justice and respect for the dignity of the individual, groups and communities. They take responsibility for their own actions and the consequences that accompany them.

## **Open-minded**

They understand and appreciate their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities. They are accustomed to seeking and evaluating a range of points of view, and are willing to grow from the experience.

## **Caring**

They show empathy, compassion and respect towards the needs and feelings of others. They have a personal commitment to service, and act to make a positive difference to the lives of others and to the environment.

## **Risk-takers/Courageous**

They approach unfamiliar situations and uncertainty with courage and forethought, and have the independence of spirit to explore new roles, ideas and strategies. They are brave and articulate in defending their beliefs.

## **Balanced**

They understand the importance of intellectual, physical and emotional balance to achieve personal well-being for themselves and others.

## **Reflective**

They give thoughtful consideration to their own learning and experience. They are able to assess and understand their strengths and limitations in order to support their learning and personal development.

# South Side Middle School

## Mission Statement

South Side Middle School is a learning environment that provides students with opportunities to move toward the goal of being independent learners and thinkers. Our goal is to provide experiences to help students understand their unique aptitudes and interests and be able to adjust to their rapidly changing environment, while meeting their unique physical, intellectual, social, and emotional needs.

We strive to create a climate that enables students to develop a sense of self-worth, and have compassion and respect for others by valuing individual differences. We facilitate a caring learning environment where students feel safe, important and engaged. Our students demonstrate responsible global citizenship, and are cognizant of their place within the school community.

In this success-oriented environment, we provide opportunities for exploration and risk-taking. The structure of the school day is designed to permit students to reach the standards established by the New York State Board of Regents, while adhering to and embracing the framework of the IB Middle Years Programme. Our vision is to create life-long learners who seek to attain balance in all that they do.

## Overview of South Side Middle School's Clubs

South Side Middle School's Clubs provide a variety of engaging age-appropriate, social and collaborative experiences. Whether the goal of the club is academic, athletic or constructivist in nature, enriching skill-building activities are prevalent in all clubs.

Annually, each club is encouraged to participate in a community service endeavor of their club's choosing. This community service endeavor may be school-centered, local, national, international and/or global and may be an annual commitment or an on-going commitment to "*service as action*" (*MYP: Projects guide, 2017*). Each spring, all club members will complete a **SSMS Service and Action Learning Experience Universal Reflection Form** regarding personal participation their club's community service endeavor (see pages 11-12 of this guide).

## **Action and Service Club:**

The mission of the Action and Service Club is to promote and support community project and service activities. Members will have the opportunity to learn about community service opportunities and events. Support will be provided for students who wish to conduct their own community service activities and projects. All are welcome to come to one, some, or all of our meetings. Regular members will be eligible to join us on one field trip during the year. Check Club Central for meeting times and dates.

## **Art Club:**

Art Club is open to all 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grades of any skill level interested in an after school activity that provides materials, guidance and support for those students who seek a creative outlet in addition to their academic schedule. The Art Club collaborates with other clubs at SSMS to enhance their visual wants and needs. For example, the Art Club worked with the History Club to create posters for Veterans Day. Art Club strives to beautify the school itself creating a positive and colorful learning environment. Students design and decorate murals and bulletin boards. The Art Club raises funds for a variety of causes such as Grey Matters, which was developed to support a family in need after the father was stricken with brain cancer. Lastly, the Art Club reaches out into the community bringing art where ever they go. In the future, Art Club hopes to work school wide with the MYP community service plan, which will focus on recycling.

## **Book Club:**

The Book Club provides a space for students, in all grade levels, to enjoy current popular literature across all genres. Students meet once a month to discuss our previously chosen book. During discussions, students share questions and opinions. After our discussion, students provide suggestions for the next month's title and then vote. Annual author visits provide students with the opportunity to discuss the process of publishing and a glimpse at the author's process. Quite simply, the goal of the club to develop and foster a love for reading!

## **Booster Club:**

The Booster club's purpose is to fundraise money for the school. They complete fundraisers to help support school activities and students.

## **Center Stage Squared Club:**

Centre Stage Squared is an inclusive drama club that uses theatre games to create friendships, foster self-esteem and build character and confidence in its members. Students of all abilities play improvisation and other theatre games while learning basics of stage techniques and choreography. This club works in conjunction with Best Buddies. We also participate in our main stage show with the High School Centre Stage Club.

## **Chorale Club:**

Chorale Club is a vocal ensemble consisting of qualified 7th and 8th grade students who are highly motivated and willing to make the necessary commitment. The goal is to provide these vocalists performing opportunities that challenge them at a high level of skill and artistic quality. The love of music is shared among the members of the group through educational study, practice, and performance. Chorale rehearsals are held in the evening.

## **Drama Club:**

This club is open to sixth, seventh, and eighth graders whose goal is to engage students in a process which culminates in a public performance. By participating in the drama club, students learn through a variety of activities including vocal performance, acting, dancing, and the technical aspects of theatre (lighting, sound, stage craft, and dramaturgy).

## **Gay Straight Alliance Club:**

The Gay Straight Alliance (GSA) Club is designed to help build respect and safety in our school for all students by forging connections between gender and sexual minority youth and their allies. The GSA focuses on raising awareness about diversity, social justice, and community service.

## **Girl Talk Club:**

Girl Talk is an international non-profit peer-to-peer mentoring program with a very simple premise: high school girls mentor middle school girls (grade 6-8) to help them deal with the issues they face during their formative early teenage years. Our mission is to help young teenaged girls build self-esteem, develop leadership skills and recognize the value of community service and to inspire all girls to develop the confidence to lead. Leadership + Mentoring + Community Service = Girls Inspiring Girls.

## **History Club:**

The History Club mission is to make History Come Alive. With various community service projects and fundraisers, students in this club learn how to give back to our community, while focusing on current day issues. Our Halloween candy drive is one of our most successful fundraisers and benefits our troops overseas. In the spring we will take a fun, historical and exciting field trip. In the past, we have visited the Intrepid Museum, Sagamore Hill, and the Vanderbilt Museum. All students are encouraged to join this fun club!

## **Home and Careers Club:**

The South Side Middle School Home and Careers Club welcomes all students in 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade to participate in a hands-on environment. This club accommodates the MYP framework by emphasizing connections between academic studies and the real world. Students apply practical and creative thinking skills to solve design problems in various evolving mediums such as food and fabric. Club members work on various projects throughout the year

that address the students' intellectual, social, emotional and physical well-being. Service-learning and fundraiser projects connect the students to their communities and the world. Personal projects serve as a means of self-expression and empower the student to explore areas of interest in a safe, non-threatening arena.

### **Jazz Band Club:**

The goal of the SSMS Jazz Band is to provide its members with an understanding of the jazz idiom, including a variety of styles and forms, by performing written arrangements and their own improvisation. By engaging in improvisation, students in the jazz band will gain skill in composing and creating music while thinking critically about how it is constructed. Jazz Band rehearses in the evening.

### **National Junior Honor Society:**

The purposes of the Middle School National Junior Honor Society are to create and foster an enthusiasm for superior scholarship, to develop citizenship, to stimulate a desire to serve, to promote leadership, and to instill exemplary qualities of character. Eligibility is based upon scholarship, service, leadership and character. The scholastic average of 92.5% will be determined by averaging the second, the third, and fourth marking period in 6th grade and the first three marking periods in 7th grade, with each quarter equally weighted. Eligible candidates will be required to complete an application, essay, and community service to indicate their involvement with regard to the five pillars of society: scholarship, citizenship, service, leadership, and character.

### **Newsletter Club:**

The Newsletter Club is made up of student writers and editors from the 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade. Various articles about school events such as assemblies, field trips, and sporting events are featured in each issue. This is a way for students to develop writing skills while sharing the wonderful happenings of our school community with their peers and families.

### **Robotics Club:**

The robotics club serves as a way for students to further their engineering and problem solving skills. Through high-level Vex IQ competitions, students will design and construct robots to complete a specific goal. Students will utilize research strategies and interpersonal skill building to complete STEM focused presentations. This environment is highly demanding and requires significant dedication.

### **SADD Club:**

SADD works to provide students with the information needed to help prevent them from making destructive decisions. We meet once or twice a month. The club participates in the Substance Abuse Walk, Red Ribbon week, events hosted by the RVC Youth Council and events sponsored by the HS SADD Club. The club provides students the opportunity to discuss issues they feel are pertinent to them today in a safe and supportive environment. It also provides the means to be catalysts for change within the school by helping students make good choices.

### **School Store:**

The purpose of the School Store is to provide students with a place to learn basic business skills. The students learn how to perform simple sales transactions. These can range from selling school supplies, birthday balloons, to collecting the proper amount of money, making change and tallying the total amount of money collected. The School Store is also a place where students' gain self-confidence and learn new social skills while interacting with their peers.

### **Scrabble Club:**

Our South Side Middle School Scrabble Club is an integral part of the school community. We have afforded students the opportunity to explore their innate talents by enhancing their social interactions and fostering the development of vocabulary skills. South Side Middle School is also an innovator in hosting the first interschool tournament. The intrinsic value is immeasurable in the friendships and team strategies that are formed with each new competitive tournament. The long term benefits of our Scrabble Club are shown by the students and their constant excitement and drive to achieve success.

### **Stage/Tech Crew:**

The purpose of the Stage/Tech Crew is to provide technical and backstage assistance for the two theatrical productions held here at South Side Middle School. Members assume the roles of Spotlight Operators, Curtain Pullers, Grips & Riggers (Backstage crew members) and Props Assistants for the Fall Revue and the Spring Musical. Working on the Stage/Tech Crew allows students to actively participate in the Drama productions, without having to perform onstage.

### **Student Council:**

The student council and its elected representatives promote student involvement, provide a forum for student ideas, and assists in promoting the shared welfare of the school. It sponsors social events and facilitates campaigns and elections. In addition, a variety of community-related projects are planned and implemented throughout the school year.

### **Technology Club:**

The Technology Club is a meeting place for those interested in the world of STEM. Members will join a community seeking to learn and advance their knowledge in computer coding, programming, design, and development. Students will complete self-paced coding challenges, and use club meetings to discuss their discoveries. Meetings will take place two Wednesdays a month in the computer lab.

## **TV Broadcast Club:**

The purpose of the TV Broadcast Club is to broadcast the school's daily morning announcements throughout the entire building. The students learn how to work together as a television production crew by preparing, setting up and executing the television production as either on-camera announcers or behind-the-scenes production personnel. In addition to broadcasting the announcements, the members of the TV BROADCAST CLUB also videotape/broadcast a variety of productions here at SSMS throughout the school year, such as the Fall Revue, the Spring Musical and the All-District Concerts. The mission of the SSMS TV Broadcast Club is to broadcast the daily morning announcements throughout the school and provide videotaping services for school events such as musical productions, concerts and assembly programs. As a result of participating in the club, students will learn about working collaboratively as a cohesive production team to put out “on air” a quality television broadcast. Students will specifically learn about the technology involved with television production, such as the video cameras, production switchers and audio mixer.

## **World Language Club:**

The World Language Club gives students an opportunity to participate in intercultural activities outside of the classroom while promoting understanding and respect for other cultures and practices. During meetings members will have an opportunity to inquire, learn and discuss different cultural practices around the world. Our club objectives will be as follows: promote cultural understanding through fun activities, provide students with an opportunity to learn about other cultures in a respectful environment, and encourage students to become active learners outside of the classroom.

## **Yearbook Club:**

Yearbook Club is open to any student in all grades and is a great way to become involved at South Side Middle School. Club members photograph school events and activities, develop an overall theme for the yearbook, capture the memories and assist in page design and layout using an online program. Students will also help in fundraising efforts and advertisement.
