

South Side Middle School
and the
International Baccalaureate (IB)
Middle Years Programme (MYP)

The MYP emphasizes intellectual challenge, encouraging students to make connections between their studies in traditional subjects and to the real world. It fosters the development of skills for communication, intercultural understanding and global engagement, qualities that are essential for life in the 21st century.

South Side Middle School is an authorized IB World School* offering the Middle Years Programme. IB World Schools share a common philosophy: a commitment to high quality, challenging, international education that South Side Middle School believes is important for our students.

Only schools authorized by the IB Organization can offer any of its **four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme, or the Career-related Programme (CP).
